CURRENT EVENTS

ALLEN RESIGNS — National Security Adviser Richard Allen resigned, even though cleared of wrongdoing in accepting gifts from Japanese journalists.

POPE SHOT — Pope John Paul II was seriously wounded in an assassination attempt in St. Peter's Square in Rome. A Turkish terrorist was sentenced to life in prison for the shooting.

Wide World Photos

ROYAL WEDDING — Worldwide attention was focused on England's Prince Charles, heir to the throne, and Lady Diana Spencer, his new Princess of Wales, when they were married in a televised ceremony at St. Paul's Cathedral.

CHAMPION IN THE RING — Sugar Ray Leonard took the undisputed world welterweight championship after stopping Thomas Hearns in a 14th round TKO.

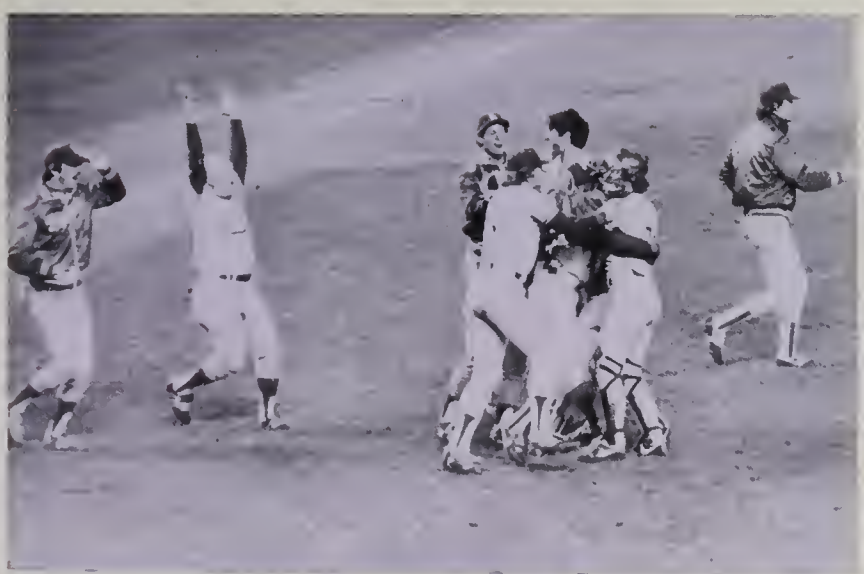
REAGANOMICS WHIZ-KID — Budget Director David Stockman, in trouble over published remarks he made that Reaganomics might not work, offered to resign but was asked to stay on.

STONES ROLL AGAIN — In their first U.S. tour since 1978, the Rolling Stones, led by 38-year-old Mick Jagger, played a 10-week concert tour that included 42 performances. It was the Rolling Stones 19th year together.

WINNINGEST COACH — Alabama football coach Bear Bryant achieved a record 315th collegiate football victory when the "Crimson Tide" defeated Penn State, making Bryant the all-time most victorious.

SINKING FEELING — Destruction occurred in drought-parched central Florida as a series of sinkholes developed. The largest, in Winter Park, swallowed cars, houses, businesses.

VIOLENCE IN IRELAND — Unrest continued in Ireland. Belfast was the center of violence as rioting tore through troubled Northern Ireland in the wake of the death of IRA hunger striker Bobby Sands. He, along with other IRA members, carried out a hunger strike protest from their jail cells.



DODGERS TAKE SERIES — After losing the first two games, the Los Angeles Dodgers came back to defeat the New York Yankees and take their first World Series title in 16 years.

JOE LOUIS DIES — Known to many as the "Brown Bomber," Joe Louis died at the age of 66. He was world heavyweight champ fighter from 1937 to 1949, and was recognized as one of the best heavyweight fighters ever.

Hey hey, my my
Rock and roll will never die
There's more to the picture
Than meets the eye
Hey hey, my my

-Neil Young

Out where the rivers meet the sounding sea
I feel it in my soul
It's meant to be
Oh someday lady you'll accompany me

-Bob Seger

There's a lady who' sure all that
Glitters is gold
And she's buying a stairway to heaven
-Led Zeppelin

I had a dream, but it
turned to dust
What I thought was love
It must have been lust.
-Santana

Stop draggin' my heart around.
-Stevie Nicks

We're just the players, you are the show.
-Outlaws

Class of 82

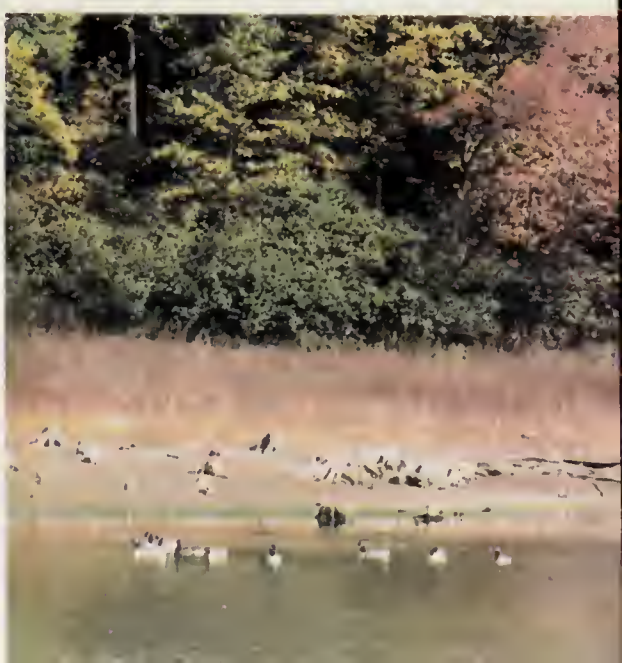
A brief candle both ends burning
An endless mile, a bus wheel turning
A friend to share a lonesome time
A handshake and a sip of wine
Say it loud and let it ring
That we're a part of everything
The future, present, and the past
Fly on proud bird you're free at last
-Charlie Daniels

The left says yes, and the right says no
I'm in between and the more I learn
Well, the less that I know.
-Styx

. . . Only the good die young
-Billy Joel

Every Saturday night
I felt the fever grow
Do ya know what it's like
All revved up with no place to go
-Meatloaf

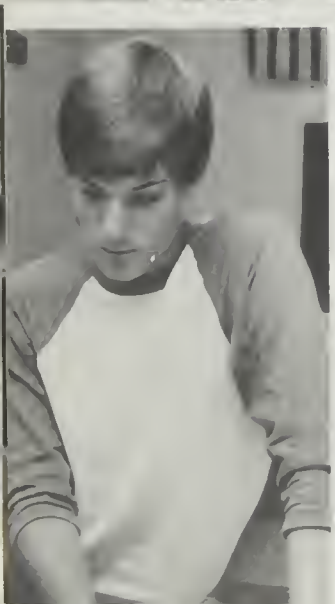
NO
PARKING
ANY
TIME

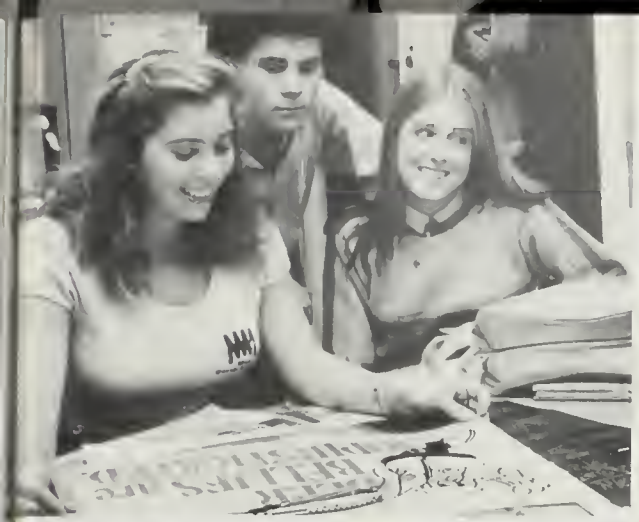


Whisper words of wisdom, let it be.
-The Beatles

Don't stop thinking of tomorrow.
-Fleetwood Mac

Winter, spring, summer or fall
All you have to do is call
And I'll be there. You've got a friend.
-Carole King





I'll give a little of my love to you
There's so much we need to share
Send a smile and show you care

-Supertramp

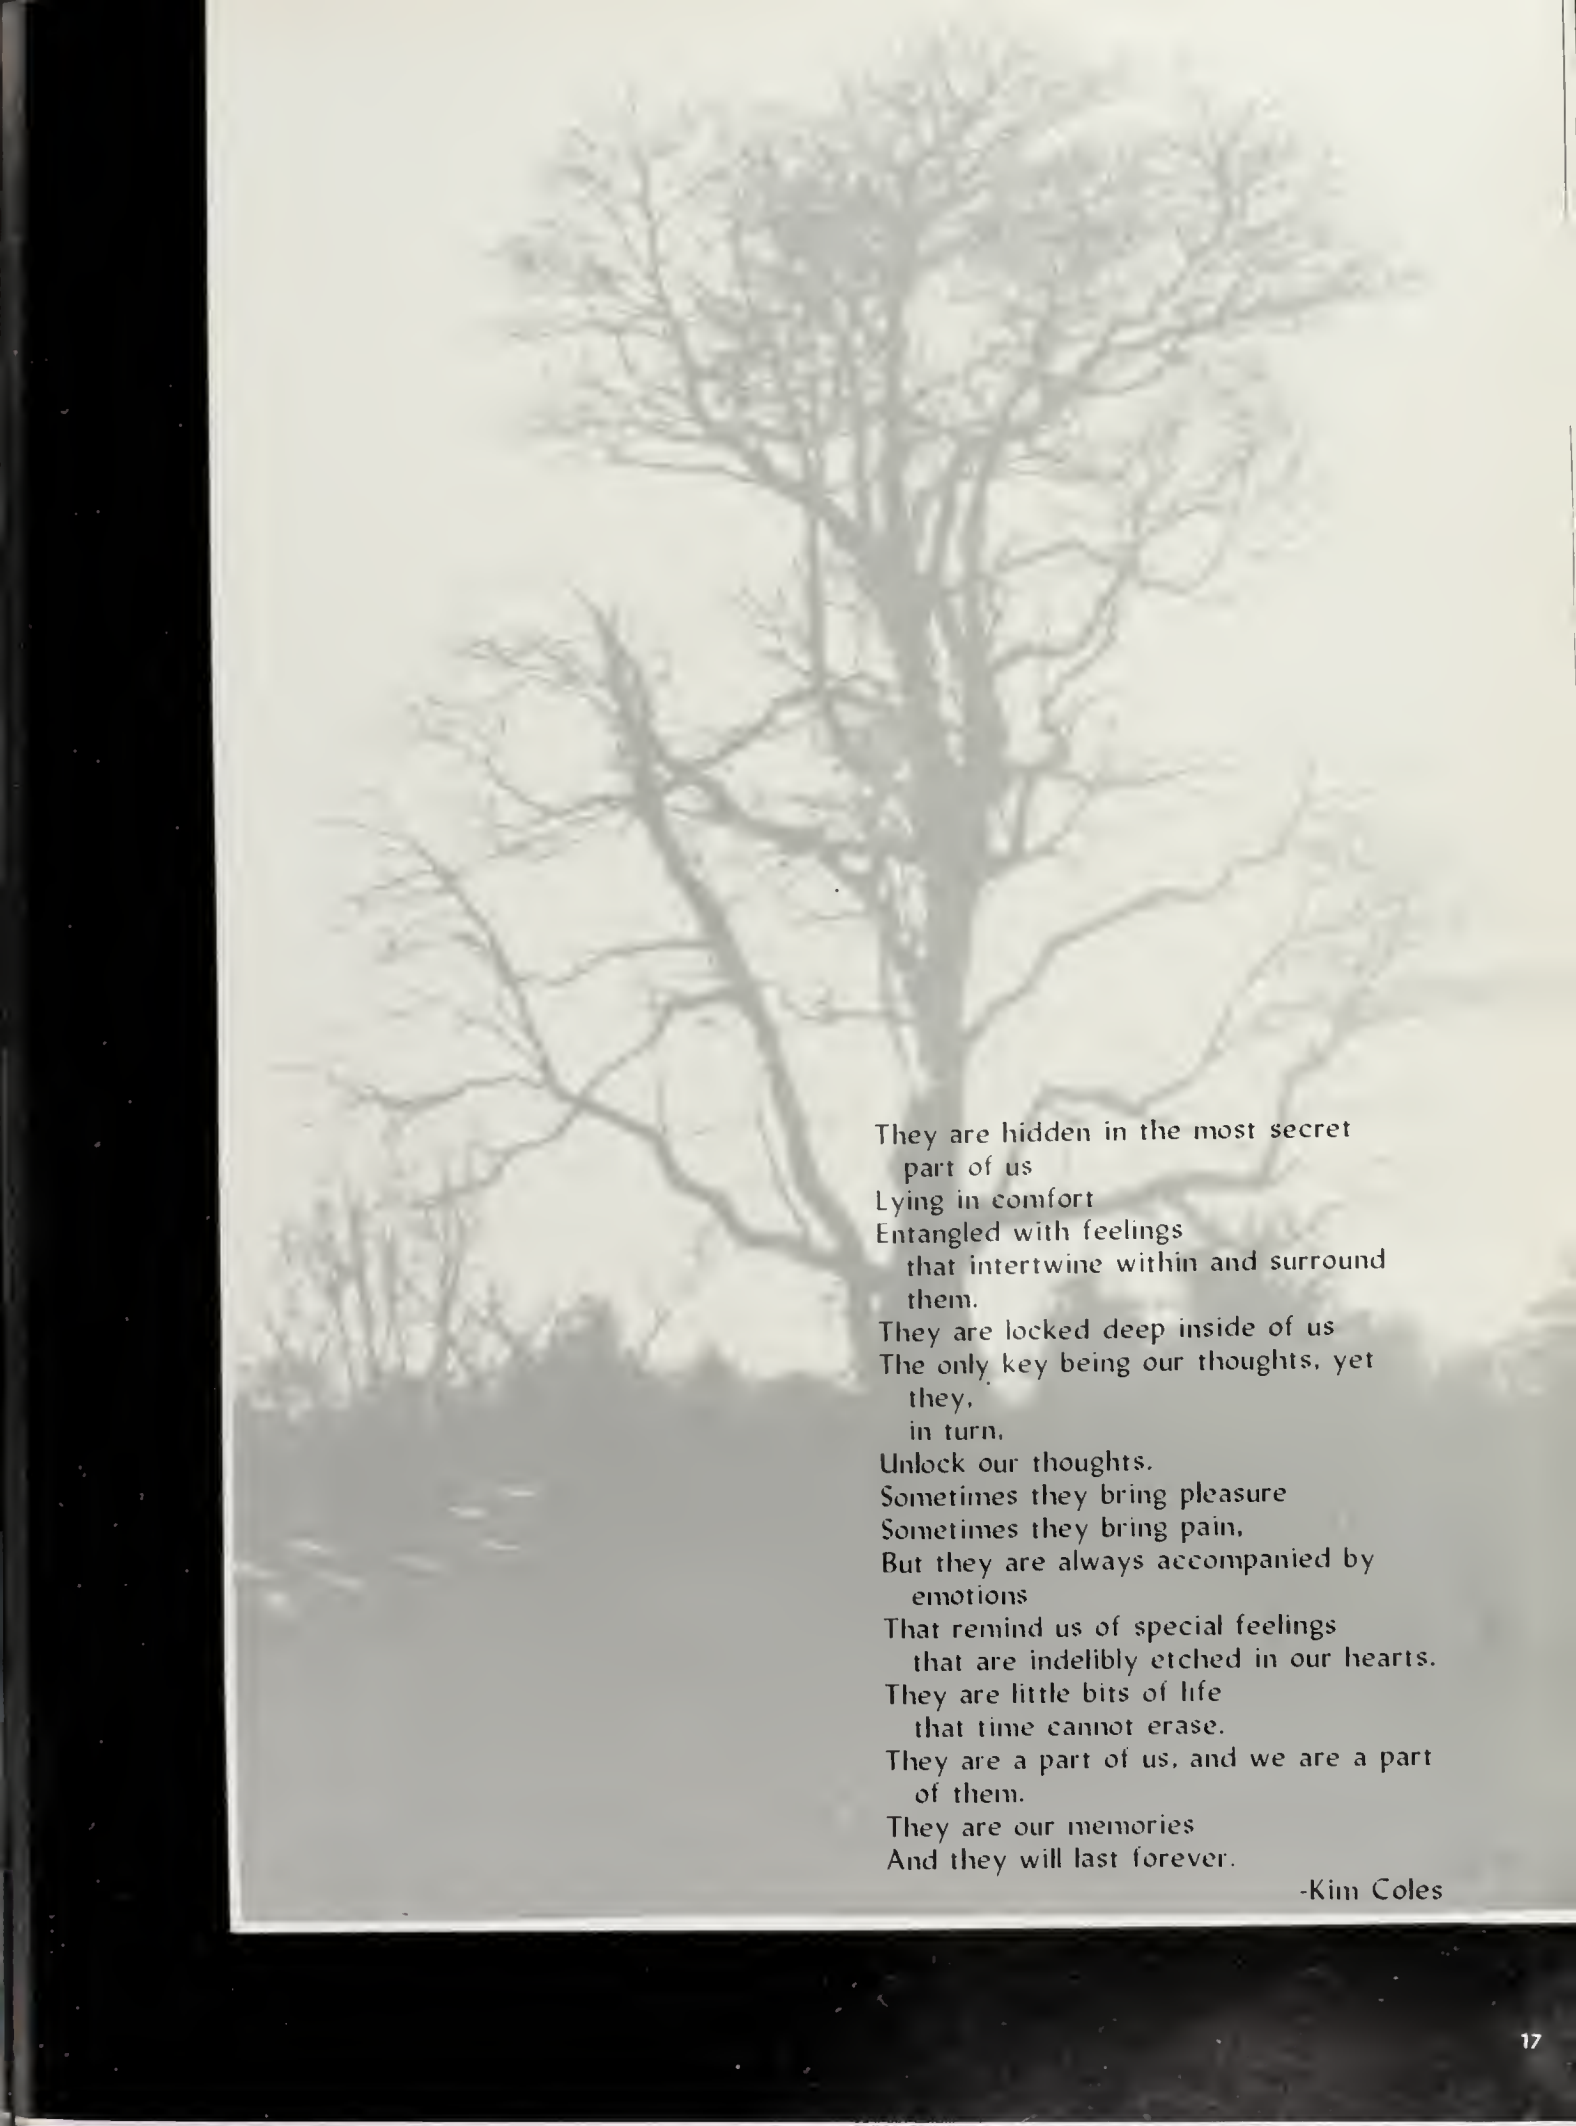
I'm free—I'm free, and freedom tastes of reality.

-The Who

I'm going to find myself a girl
Who can show me what laughter means
And we'll fill in the missing colors
In each others paint by number dreams.
-Jackson Browne

I know it's only rock 'n' roll
But I like it
-Rolling Stones

If I could save time in a bottle,
The first thing that I'd like to do
Is to save everyday
'Till eternity passes away
Just to spend them with you.
-Jim Croce



They are hidden in the most secret
part of us
Lying in comfort
Entangled with feelings
that intertwine within and surround
them.
They are locked deep inside of us
The only key being our thoughts, yet
they,
in turn,
Unlock our thoughts.
Sometimes they bring pleasure
Sometimes they bring pain,
But they are always accompanied by
emotions
That remind us of special feelings
that are indelibly etched in our hearts.
They are little bits of life
that time cannot erase.
They are a part of us, and we are a part
of them.
They are our memories
And they will last forever.

I am perhaps one of those fortunate people who loves his job, teaching, for I think it is one of the most important in this world. Yes, although I am a principal, I still consider myself a teacher. Teaching and understanding are synonymous. One must understand in order to live richly within himself. Ignorance brings only misunderstanding and suspicion. I believe that you are eager to learn - to destroy that ignorance. In this endeavor, be aware of the following:

1. Trust - if you trust others, they will trust you
2. Friendships - establish lasting friendships, for human relationships inspire creative living
3. Competition - compete with yourself, not with others

As you leave Marple Newtown, take full advantage of each experience that you meet. Consequently, as the years pass you should experience a rich life, not a life of decay.

I wish you well. I wish you happiness.

TODAY!

With every rising of the sun
Think of your life as just begun.
The Past has cancelled and buried deep
All yesterdays. There let them sleep.
Concern yourself with but today.
Grasp it, and teach it to obey
Your will and plan. Since time began
Today has been the friend of man.
You and Today! A soul subline
And the great heritage of time.
With God himself to bind the twain
Go forth, brave heart! Attain! Attain!

THE TRUE ARTIST I sit in a field and paint the sky, and see a bird take off and fly. I paint a blossom from a tree, while from it comes a little bee. And as I take a closer look, I see a rainbow by a brook. So now I see through the mist, that only God is a true artist. By Georgette Pappas

DON'T YOU FEEL A CHANGE A COMING FROM ANOTHER SIDE OF TIME, BREAKING DOWN THE WALLS OF SILENCE LIFTING SHADOWS FROM YOUR MIND PLACING BACK THE MISSING MIRRORS THAT BEFORE YOU COULDN'T FIND FILLING MYSTERIES OF EMPTINESS THAT YESTERDAY LEFT BEHIND, AND WE ALL KNOW IT'S BETTER YESTERDAY HAS PAST NOW LET'S ALL START THE LIVING FOR THE ONE THAT'S GOING TO LAST . . .

-CAT STEVENS

A PERFECT DAY

WHEN YOU COME TO THE END OF A PERFECT DAY,
AND YOU SIT ALONE WITH YOUR THOUGHT,
WHILE THE CHIMES RING OUT WITH A CAROL GAY,
FOR THE JOY THAT THE DAY HAS BROUGHT,
DO YOU THINK WHAT THE END OF A PERFECT DAY
CAN MEAN TO A TIRED HEART,
WHEN THE SUN GOES DOWN WITH A FLAMING RAY
AND THE DEAR FRIENDS HAVE TO PART.

WELL THIS IS THE END OF A PERFECT DAY,
NEAR THE END OF A JOURNEY TOO,
BUT IT LEAVES A THOUGHT THAT IS BIG AND STRONG,
WITH A WISH THAT IS KIND AND TRUE,
FOR MEM'RY HAS PAINTED THIS PERFECT DAY
WITH COLORS THAT NEVER FADE,
AND WE FIND AT THE END OF A PERFECT DAY,
THE SOUL OF A FRIEND WE'VE MADE.

-CARRIE JACOBS BOND

JUNIOR PROM

Tonight's the night we'll make history
Honey you and I
And I'll take any risk
To tie back the hands of time
And stay with you here tonight. -Styx

Some rain, some shine
We'll make this a world for two
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And someday we'll find
These are the best of times. -Styx

Here I am remembering the past,
to something recent and yet so vast.
Remembering the times, and the days,
when we, the class of '82, were together
in so many ways.
Thinking and wondering how fast time
flies, and hearing those echoes on
some past cries.
Feeling happy, yet sorrowful too,
remembering all the friends I once knew.
So now it's time to say goodbye,
and hope you succeed in every try.
God bless us on our separate ways,
and help us through the passing days.

Georgette Papas

No amount of words can express
The happiness
I feel.
I've come a long way
From yesterday.
The road in life
Can be long and winding,
But with each turn
There is a new finding.
And every night search a way.
To long and hope for a better day
No amount of words can express
The happiness
I feel
I've come a long way
From yesterday.
The seven days that make a week
In those moments
What do we seek?
A smile to laugh, a tear to cry.
And soon the years
Go passing by.
No amount of words can express
The happiness
I feel
I've come a long way
From yesterday.

JIMMY ANDERSON 1964-1980

Beneath the deep blue sky,
Lies an ocean vast and wide.
It sings of love and pride,
As it falls and comes to ride.
Pearls of white come to surface,
Laughing as they ride.
Slowly as they come to shore,
The ocean is their guide.
From afar comes a voice closer,
As it cries.
Wings of white show up bright,
As they sweep the sky.
The seagull softly spreads his
Wings and slowly comes to glide.
And as I look across the sea,
I come to realize, that this
Vast sea will never die,
For this is God s great sea.

Goergette Pappas

SUJIT MEHTA 1964-1977

Sujit distinguished himself early in life with his great intellectual abilities, his sense of humor, and his mature sense of duty to his parents and his school. Bilingual at the age of five, Sujit was also a consistent honor student in his accelerated classes. He was one of those rare indivduals who excelled in everything he did. His memory will remain vivid to all of us.

"Born of the sun, he traveled a short while towards the sun and left the vivid air signed with his honor."

-Stephen Spender
